Description

Beautiful 23' 2006 Airstream 75th Anniversary Safari LS. To say that this trailer is "clean" is an understatement, this coach has been used very little and is in amazing condition. The appliances show very little use (if any), NON-Smoker owned. The exterior is just beautiful, clear coat is gorgeous. This little trailer has SO many options packed into such a small/light-weight coach. It weighs in at only 4280 pounds (empty weight) and is 23' long, but has moreA options and kitchen space than many larger models. Everywhere you look in this trailer it seems like you find storage. Lots of drawers and cabinets. This trailer will sleep 4, has a corner double bed and the Lounge folds into a bed as well (lounge makes into a spacious 74" X 49" bed) see pictures. It also has the "Dry Bath", meaning that the shower is separate from the toilet and bathroom sink/vanity. Comes with lots of neat extras: 2 LCD TV's, Sony AM/FM/CD/XM satellite-ready stereo, "Fan-Tastic" vent-fan, Black/Gray and Fresh water tank heaters, front SS rock guards, Window rock guard, "Zip-Dee" Awning, "Airstream Co." custom screen door guard, Electric hitch-jack, dual batteries, etc Comes with its factory books and manuals.A \$39,995.00
