Description

Depending upon the time of day that you enter this double slide out Flagstaff Super Lite 23FBDS travel trailer will determine if you see the 72" sofa or the 60"x74" Murphy Bed. There is additional sleeping space for your kids or a guest or two at the 85" u-dinette. In the kitchen you will find solid surface countertops with a residential sink cover that adds a bit more work space. In the evening plan to visit outdoors under the 17' awning with LED lights, plus you can enjoy a little music at the exterior speakers and more!

For any camping trip you will want a Flagstaff Super Lite travel trailer! These models have a beautiful Driftwood interior with solid wood and raised panel doors and drawers. You can rest comfortably in the living room at the heater theater seats with USB ports which come standard or are an optional choice per floorplan. Along the exterior there is a fully aluminum frame, radius roof with interior vaulted ceilings which gives you the most headroom, plus large dinette picture windows where you can sit and enjoy the view. The Standard Packages offer features such as a WiFi ranger WiFi booster, an enclosed underbelly, a power awning with adjustable rain dump and LED light strip, a rear observation camera prep with molded mounting plate, and so much more!
