## Description

### FEATURES

#### COOLING DOWN / HEATING UP

The 5,000-BTU A/C unit has more than enough cooling capacity to handle those warm summer nights. And the 12,000-BTU furnace is perfect for those frosty desert evenings. Just need some fresh air? Then Bushwhacker Plus' 3-speed attic fan is just the ticket when an outside breeze is your best option.

#### E-Z BED

The Bushwhacker Plus E-Z Bed is convenience at it's best. Folding down from the U-Dinette, the bed is Queen-sized and literally sets up in less than 60 seconds.

#### E-Z DINETTE SYSTEM

Not only is the E-Z U-Dinette the most family-friendly of seating arrangements, this Bushwhacker Plus table swivels both ways, making coming and going as easy as it gets.

#### EXPANDED "WET-BATH" WITH INTEGRATED SHOWER/TOILET ENCLOSURE

Not many teardrops on the market feature a private toilet/shower enclosure INSIDE the unit. Just one more reason

campers are loving the Bushwhacker Plus.

## KITCHEN SINK WITH INTEGRATED FAUCET

The small but mighty kitchen area offers just what you need for quick meal preparation. And the hot/cold faucet and sink are conveniently located right next to the two-burner stove for easy clean-up.

## 3-WAY REFRIGERATOR

For the ultimate in power source flexibility, Bushwhacker Plus' 3-way refrigerator runs off any of three power sources: Propane, 12V DC power (battery or solar), or direct from a 240V AC power source.
