If you are looking to make your dreams a reality, look no further than this DREAM travel trailer! A set of double-size bunks is located next to the **rear bathroom** which is convenient for any small children at night, and the **sleeper sofa** is handy for any extra guests that have joined you. In the evening, you will enjoy gathering outside underneath the **electric awning** with LED lights as you listen to your favorite music playing softly on the exterior speakers.

Meet the RV of your dreams: the Chinook RV DREAM travel trailer! Have fun all along the way with an AM/FM/CD/DVD Bluetooth stereo and enjoy the bright and cheerful illumination that comes from 100% LED lighting. You will also find LED exterior lighting so that you can easily see while you're gathered around the campfire at night. The **Keyed-Alike one key system** will eliminate the need for multiple items on your key ring, and the high-gloss enamel paint exterior will catch the attention of your neighbors as you glide on down to your camping lot. With an exterior shower, you can wash off any dirt or debris before entering the trailer, and you will certainly appreciate the reliable features that the DREAM has been built upon, like the powder-coated chassis, the radius EPDM roof, and the diamond plate rock guard.
